

Company Name:

ACS&T Logistics

Can you please introduce your company?

Founded in 1921, ACS&T Logistics provides temperature-controlled storage and distribution services for customers. In addition, ACS&T also provides an extensive range of value-added services to provide customers with an end-to-end storage and distribution solution.

Why did you choose the BRCGS Standard?

ACS&T's temperature-controlled storage facilities operate from three strategic locations across the UK, Grimsby, Tewkesbury, and Wolverhampton. In addition to temperature-controlled storage services, ACS&T also provides high quality distribution services to customers.

What are the benefits being BRCGS certificated?

ACS&T have chosen the BRCGS as it provides a structured frame to ensure and manage product safety, integrity and legal quality. Food Safety is of critical importance when working within the food supply chain. It demonstrates confidence to our customers and reduces complaints, product rejections & recalls. BRCGS is an internationally recognised mark of food quality.
